

VIP-HC

The considerable amount of space provided by the VIP HC means that it is both universally accessible, and perfect for any long term temporary sites or seasonal rentals.

This unit is ideal for a sales office or for a long term rental & is suitable for users who need extra assistance.

"All-season, barrier free and accessible."

The considerable amount of space provided by the VIP-HC means that it is both universally accessible, and perfect for any long term temporary sites or seasonal rentals. The expansive interior features ceramic utilities throughout, hot and cold running water, soap and paper towel dispensers and all the features required for wheelchair access. To regulate temperature the unit is insulated and includes a heater while a built-in exhaust fan keeps the inside air cooled during warmer seasons. Lighting accents both inside and outside provide an inviting sensory experience.

A standard service is performed once a week. Trained technicians clean the washroom, remove the waste and resupply the unit as required. Servicing can be scheduled more or less frequently to meet specific needs. All servicing performed on site is documented inside the unit for quality control. 24/7 emergency service is available.
