

## VIP Plastic

At the crossroads of value and luxury you'll find The VIP Plastic.

Our highest end and most luxurious plastic unit, the VIP Plastic features fresh water flush and wash and a more ergonomic interior resulting in more space for the user.

*"The industry's premier plastic unit, setting the standard for quality and aesthetically appealing portable toilets."*

The more suitable plastic option for smaller weddings or other formal outdoor events. The VIP Plastic provides self-contained fresh water capabilities in an aesthetic housing.

A standard service is performed once a week. Trained technicians clean the washroom, remove the waste and resupply the unit as required. Servicing can be scheduled more or less frequently to meet specific needs. All servicing performed on site is documented inside the unit for quality control. 24/7 emergency service is available.
