

## SHOWER-2

The Shower 2 fills the need for a mid-sized heated mobile shower unit.

*"A great unit for a job site or special event!"*

Inside the two private rooms are a hot and cold water shower and a separate changing area with toilet, sink, mirror and clothing hooks.

A standard service is performed once a week. Trained technicians clean the washroom, remove the waste and resupply the unit as required. Servicing can be scheduled more or less frequently to meet specific needs. All servicing performed on site is documented inside the unit for quality control. 24/7 emergency service is available.
