

FOOD PREP SINK

At events requiring food prep capabilities the performance of these sinks stands out.

"Our units were designed to meet the requirements of the city inspectors and are built to meet our customer's requirements!"

Made of stainless steel and MonoPan®, these sinks are not only convenient to move and set up but they're even easier to clean and maintain.

Designed to meet all health department standards, our Food Prep Sink will be one less thing to worry about at your event.
