

## LUX-7

Our flagship luxury trailer.

The LUX 7 transcends all expectations of what a mobile washroom can offer.

*"It impresses even the toughest critics."*

The interior represents the apex of available luxury in the industry with fine crafted maple woodworking, marbled walls, speakers throughout and even a fireplace.

A standard service is performed once a week. Trained technicians clean the washroom, remove the waste and resupply the unit as required. Servicing can be scheduled more or less frequently to meet specific needs. All servicing performed on site is documented inside the unit for quality control. 24/7 emergency service is available.
