

## VIP-2

Quickly becoming an industry standard on construction sites, the VIP 2 has garnered a reputation for being one of the most versatile and sought after washroom trailers on job sites.

*"Whether used for a special event or a construction site, your users will appreciate this unit."*

Built for high levels of use and higher levels of comfort during any season, the VIP-2 meets and exceeds the standards set out by the Ontario Ministry of Labour. This heated and insulated unit has hot and cold running water, ceramic toilet, urinal and sink, and provides ample room inside.

A standard service is performed once a week. Trained technicians clean the washroom, remove the waste and resupply the unit as required. Servicing can be scheduled more or less frequently to meet specific needs. All servicing performed on site is documented inside the unit for quality control. 24/7 emergency service is available.
